

We now have a steadily growing group of developing golfers who are enjoying all the facilities the Club has to offer. Tee time availability especially in the summer months is generous. The group use social media / WhatsApp to communicate so there is always someone who is willing to join any new member in order to help them develop their golf and obtain a handicap. The encouragement that helps new golfers progress is available both from established golfers at the Club and from n2g members who have recently joined.

Assistance is also available with golfing equipment etc.

Please note that n2g membership is available to both boys and girls, young and old and absolutely anyone who would like to take up and enjoy the benefits of this wonderful game.

Please call the Club, 01970 615104 or email:
